Issued: 1 July 2023

Version: 5.0

## About this Guide

This Financial Services Guide (FSG) provides you with important information about Fortnum Private Wealth (Fortnum), the Principal Practice, and its Authorised Representatives (Advisers) who may provide you with the services described in this FSG.

This FSG consists of two parts, and both contain important information which must be read together. It's important that you take the time to read the information provided so that you can make an informed decision about whether to use the services offered by us.

If you need any clarification on what you have read, please don't hesitate to contact us. We are committed to having open and honest communication with you at all times, as this is the foundation of good advice and a successful ongoing relationship.

## **ABOUT US**

Fortnum, as an Australian Financial Services Licensee (AFSL), brings together many like-minded financial advisers who share a “client-first” approach.

Our name comes from a combination of two words – fortress and numbers. This represents our duty to you, the client – our dedication to protecting your financial security and our strength in numbers.

Fortnum is owned by current and former:

- Principal Practices and Advisers (or their related entities);
- Fortnum staff; and
- Fortnum contractors.

### **How does Fortnum maintain adviser standards?**

Each Fortnum Adviser is required to undertake continuous professional development. Fortnum hosts regular training programs on areas such as legislative changes to the taxation, social security, superannuation and investment environments. Our education and training philosophy is one of continually raising the bar.

Each Fortnum Adviser has direct access to technical, risk and investment research professionals who can provide additional analysis on strategy and products so that we can deliver quality advice to you. Risk management specialists monitor and regularly audit each Fortnum Adviser to maintain high-quality advice standards.

### **Who is responsible for the advice to you?**

Fortnum is responsible for any financial advice or services your Adviser provides under our Australian Financial Services Licence (AFSL).

### **What financial services and products can Fortnum provide?**

Fortnum is licensed to provide financial product advice and deal with the following products:

- Deposit and payment products.
- Debentures, stocks or bonds issued or proposed for issue by a government.
- Derivatives.
- Life investment or life risk products.
- Interests in managed investment schemes, including Investor Directed Portfolio Services (IDPS or ‘Wrap’).
- Managed Discretionary Account (MDA) Services.
- Retirement savings accounts.
- Superannuation (including Self-Managed Super Funds).
- Listed Securities.
- Standard margin lending facilities.

A wide range of financial products from various product providers are available and are thoroughly researched by qualified research professionals including, but not limited to, Mercer, Innova Asset Management, Zenith and Morningstar.

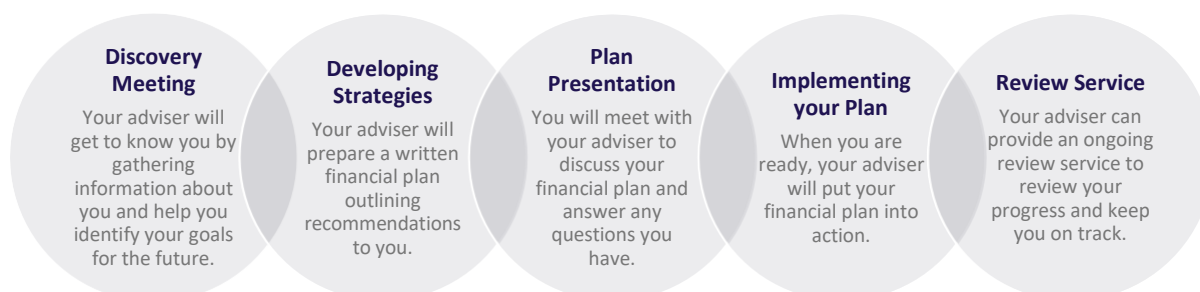

Your Adviser is only authorised to advise on products which are approved by Fortnum for use. Your Adviser will only recommend a product to implement your strategy after considering its suitability in relation to your individual objectives, financial situation, and needs.

### **Lack of Independence**

Fortnum, its Principal Practices and its Advisers are not independent, impartial or unbiased due to the types of payments that are received by the group. This includes commissions paid by insurance providers based on insurance recommendations made to clients. Payments received in this regard are all legal under Corporations Act 2001.

## OUR ADVICE PROCESS

A comprehensive advice process is designed to ensure that the advice provided is suited to your needs and financial circumstances.

## Important documents

You will receive a number of documents throughout the advice process and if you agree to enter into an ongoing review service. We will provide these documents as per your preferred method, electronically or paper based.

<p><b>Statement of Advice (SOA)</b></p> <p>Your Adviser will formulate a strategy to help achieve your needs and objectives and will put together any personal advice in a Statement of Advice (SOA). A SOA sets out the scope of the advice, your current personal and financial position, the basis for the advice and how it addresses your needs and objectives. It will also disclose the fees and charges payable by you and the remuneration and other benefits we may receive.</p>	<p><b>Record of Advice (ROA)</b></p> <p>Where a further review is conducted or ad-hoc advice is requested from you and personal advice is provided, the advice may be provided via a new SOA or a Record of Advice (ROA) as applicable to the circumstances. Further advice may be in the form of a ROA where the further advice does not significantly differ from the original advice provided.</p>	<p><b>Statement of Transaction (SOT)</b></p> <p>At times, you may wish to make changes without receiving advice. In these cases, we can take your instructions by telephone, email or in person (depending on type) and arrange for the transaction to be completed, without providing personal advice.</p> <p>Once implemented, we will provide you with a Statement of Transaction (SOT), which confirms your instructions, informs you that no advice has been provided and discloses any fees and charges payable by you.</p>
<p><b>Product Disclosure Statement (PDS)</b></p> <p>If your Adviser recommends a product as part of your financial strategy, they will provide you with the relevant Product Disclosure Statement (PDS). The purpose of a PDS is to assist you in making a decision about the particular financial product. It contains information about the product's key features, benefits, risks, and fees.</p>	<p><b>Ongoing Service Agreement (OSA)</b></p> <p>If your Adviser recommends, and you enter into, an ongoing review service, for a period of more than 12 months, you will initially receive an Ongoing Service Agreement (OSA). This document outlines the agreed service and the fees applied over the specified period.</p> <p>You will also receive an Enhanced Fee Disclosure Statement (eFDS) each following year. It will outline the fees paid and the services you received in the preceding 12 months, as well as estimated fees and services which will be provided to you in the upcoming 12 month period. The document will also ask you to confirm that you would like to continue the ongoing review service with your Adviser and consent to the deduction of any ongoing fees.</p>	<p><b>Client Service Contract</b></p> <p>If your Adviser recommends, and you enter into, a service arrangement for a fixed period of 12 months or less, you will receive a Client Service Contract. This document outlines the agreed service and the fees applied over the specified period.</p> <p>You will also receive a Confirmation of Fees and Services Letter at the end of the contract period which will outline the services you received, and fees paid.</p>

## HOW WE ARE PAID

The remuneration and other benefits listed below generally cover what Fortnum, your Adviser, the Principal Practice and any related parties may receive as a result of the services provided to you. Specific amounts and benefits can often only be calculated once the recommendations are made to you.

There are various ways that you may pay Fortnum for the services provided to you, including:

- Fee for service - where you pay a fee for the services that we provide; or
- Commission (paid by product and service providers) in the form of initial (up-front) and/or ongoing (trail) commission; or
- A combination of commission and fee for service; Or
- Other

Each of these is discussed in further detail below.

All fees for services paid by you and/or commission paid by product and service providers are paid to Fortnum. Fortnum then distributes 100% of the fees received to its Principal Practices or distributes the fees after our Licensee fees and other expenses have been deducted.

### Fee for service

In all instances, your Adviser will discuss the calculation of the fees when you meet and agree on the services to be provided. Fees charged are generally payable after the services have been provided, however, ongoing review service fees are generally paid in advance. The agreed fees may be documented in a Letter of Engagement, set out in a SOA, in a ROA, or via an OSA.

Fee for service payments may be payable for:

- Initial Consultation – we may charge fees for your initial discovery meeting.
- Advice Preparation – we may charge fees for the preparation, presentation and/or implementation of our advice to you. These fees will be based on your individual circumstances, the complexity involved in your situation and the time it takes to prepare personal financial advice for you.

- Ongoing Review Service – we may charge a fee to provide ongoing reviews, including further advice suitable to your needs.
- Ad hoc Fees – we may charge fees for other services where costs outside the above are incurred.

### How are fees for services calculated ?

Fees charged for our services may be:

- A dollar amount; or
- A percentage of the amount invested; or
- An hourly rate; or
- A combination of some or all of the above, as agreed with you.

### Commissions

Fortnum may receive payments in the form of initial commissions and/or ongoing commissions from the insurance product providers for any product you choose to use that is recommended by us. These commissions are included in the fees and/or premiums you pay for the product. You do not pay these fees to us directly. We may rebate some or all of this to you.

### How commissions (initial and ongoing) from a life insurance product are calculated?

Initial commission from a life insurance provider is typically up to 66% (inclusive of GST) of the first year's premium that you pay.

Ongoing commission can be up to 33% (inclusive of GST) of the premium from year two onwards for the life of the policy.

However, existing commission arrangements for insurance purchased prior to 1 January 2018 may continue to be paid in the same manner as what would have previously been advised to you.

The actual commission that will be received by Fortnum, the Principal Practice, and your Adviser will be disclosed to you in your SOA, SOT or ROA.

### Managed Discretionary Account Service Fee

Fortnum offer a Managed Discretionary Account (MDA) Service and charge a service fee for the use of the MDA Service.

## Member Fees

Fortnum may receive payments from the trustee of a superannuation fund, with which it has entered into a Member Services Agreement, in respect of the services provided to you on behalf of the trustee. Please refer to Part 2 of our Guide for further details (if applicable).

## Other forms of remuneration or benefits

Fortnum, your Principal Practice and/or Adviser may be entitled to other benefits when providing services to you.

Fortnum, your Principal Practice and Adviser keep registers of small value benefits (i.e. \$100 to \$300 in value) which may be received by them from product and service providers. These benefits are permissible unless they are received frequently or when similar benefits received combine to exceed \$300 per annum. If you would like a copy of the register, please ask your Adviser and it will be made available to you within seven days.

In addition, Fortnum receives payments by product providers to support adviser training and professional development.

If your Adviser is an accountant who is subject to the Accounting Professional and Ethical Standards, under APES 230, all benefits received, regardless of value, will be recorded on their register.
